

Curriculum vitae

Personal data

Name: Somayeh

Last name: Dolatabadi

Nationality: Iranian

Birth date: 18/March/1982

Address: Sabzevar University of New Technology, Sabzevar, Iran

Current position: Faculty member (Professor assistant)

Telephone: 00989151711275

Fax: 0985144646189

e-mail: somayeh99@gmail.com

Education:

PhD: Amsterdam University, Amsterdam, the Netherlands (Jan 2011-Jan 2015)

CBS (Fungal Biodiversity Centre)-KNAW, Medical Mycology Group, Utrecht, the Netherlands

Post graduate courses:

Current trends in phylogenetics, Wageningen, the Netherlands, October 2011

Course on medical mycology, Utrecht, the Netherlands, March 2011

CBS course on photoshop, Utrecht, the Netherlands, May 2012

Bioinformatics- a user's approach, Wageningen, the Netherlands, August 2013

Techniques for writing and presenting a scientific paper, Wageningen, the Netherlands, October 2013

Mass Spectrometry, Proteomics and Protein Research, Amsterdam, the Netherlands, November 2013

Research Projects:

- 1- Rolling circle amplification (RCA) a method for rapid detection and identification of fungal pathogens, using waterborne black yeast as a model
- 2- Construction of microbioal biosensor for monitoring pollutants in ground water
- 3- Bioremediation of hard water by *Spirulina*
- 4- Isolation of local methanotrophic bacteria to produce PHB from methanol.
- 5- The role of pattern recognition in CARD9-related black yeast infections
- 6- Phylogenetic and evolutionary study of black yeasts from Iran with bioremediation potential for oil-contaminated soils
- 7- ?????

Publications:

Title of the PhD thesis: Mucorales between food and infection

Scientific writing, Medical University of Shiraz, Shiraz, Iran (2010)

Research methods, Medical University of Shiraz, Shiraz, Iran (2010)

National symposium on innovations in Biotechnology: Entrepreneurial opportunities & IPR, Bangalore, India (2007)

Training in career orientational competence, Bangalore, India (2007)

Internship:

Establishing new model organisms: HKI institute, Jena University, Jena, Germany, October 2012 & 2013

Barcodeing of fungi, Barcodeing group, CBS-KNAW, Utrecht, The Netherlands, 2013

Post-doc position:

CBS-KNAW, Ecology of medical fungi group, Utrecht, the Netherlands. Feb 2015- Sep 2016

Grants achieved:

Johanna Westerdijk Fund in 2012 (2x), 2013 (2x), and 2015

Travel grants to Greece in 2014

Travel grant to Seville in 2014

Travel grant to ISHAM 2012 to Berlin

NWO visitors grant 2016, 2019

INSF (Iran national science foundation) grant 2017

Memberships:

ISHAM (International Society for Human and Animal Mycology) since 2012

NVBMB (The Netherlands Society for Biochemistry and Molecular Biology) since 2012

Zygomycoses working group of ISHAM since 2011

Being Associate Editor:

Mycoasia

Being reviewer:

Frontiers in microbiology

Future microbiology

Microbial biotechnology

Industrial biotechnology

Expert Review of Molecular Diagnostics

Medical mycology
Mycoses
Mycopathologia
Journal of infection and public health
Open biotechnology journal
Current medical mycology

Being editor:

Mycologia
JSM Biology
ESR journal
Clinical Dermatology Open Access Journal

Being organizing committee member:

13th Organic Food & Manufacturing Conference, Kuala Lumpur, Malaysia October 13-15, 2016

Teaching skills:

2009-2011: Lecturer in life science and medical science universities of Sabzevar, Iran
2011-2015 (CBS-KNAW) during PhD
2015-ongoing (CBS-KNAW) during post-doc
