In the Name of Allah

CURRICULUM VITAE

Vahid Sadram

10/10/2026

Personal Information

First Name: Vahid
Surname: Sadram
DOB: 19/02/1979
POB: Sabzevar, Iran
Email: vahidsadram@yahoo.com
v.sadram@hsu.ac.ir
Phone: +989123439007

Educational Background

(1995) First place among mathematics and physics students in the second year of high school in Sabzevar
GPA: 19.76 (out of 20)

(1996) Third place among mathematics and physics students in the third year of high school in Sabzevar
GPA: 19.66 (out of 20)

(1997) First place among mathematics and physics students in the fourth year of high school in Sabzevar
GPA: 19.48 (out of 20)

(1997) Diploma in mathematics and physics, Baqer Al-Ollum High School, Sabzevar
GPA: 18.84 (out of 20)

(1997) Rank 213 in the entrance examination of universities (Konkur) in Iran (second place in Sabzevar) and being accepted into the Integrated Master's degree in Architecture at the University of Science and Technology (gaining 13th place among 900 students admitted to the university); qualified to study two disciplines at the same time from the Exceptional Talents Center

(1999) outstanding student of the Faculty of Architecture in two semesters during the studentship (receiving an award from Chancellor of the University)

(2004) Master's degree in architecture from Iran University of Science and Technology
GPA: 16.57 (out of 20) and dissertation score: 17.75 (out of 20)
Dissertation title: *The Canopy of Love: The Tekyeh of Razi Park of Tehran*

(2010) second place in the sketch and written exam of PhD in architecture at Shahid Beheshti University of Tehran

(2015) PhD in architecture from Shahid Beheshti University of Tehran
GPA: 18.67 (out of 20) and thesis score: 18.50 (out of 20)
Thesis title: *Design in the Creative Meeting: The Properties of Imitation-based Education in the Meeting of Architectural Design Review*

Work Experience

(2002) Collaborating with Paneh Sazan Company in Tehran in design and implementation of the void of Sky Tower (under the supervision of Eng. Karimbeygi Daryani)

(2003) Collaborating as a technical designer with Karang Saz Company in Tehran (under the supervision of Eng. Amir Aqdam)

(2004) Collaborating with Karang Sazan & Banian Nama Company in Tehran as the head of the technical design studio (under the supervision of Eng. Seyyed Hashem Jafari Nejad)

(2001) Collaborating with Naqshyad, the Architecture and Urbanism Consulting Firm, as a part-time architectural designer for one year (under the supervision of Eng. Seyyed Jamal Mousavi)

(2000) Collaborating with Tehran Tarsim Company as a part-time industrial designer for one year (under the supervision of Eng.Mohammad Asgari)

(2001) Collaborating with the Research Center of the Faculty of Architecture and Urbanism at Iran University of Science and Technology in organizing paper archives (under the supervision of Dr. Hamzeh Nejad)

(2003) Collaborating with the Municipality of Tehran Region 11 as an advisor and designer of part of the Razi Park in Qazvin Square (under the supervision of Mr. Molla Reza, the director of public relations, related to the Tekyeh of the Park and Master's dissertation)

(2004) Collaborating with the Renovation of Schools Organization in designing the site of Imam Khomeini Technical School in Tohid Shahr in Sabzevar (under the supervision of Eng. Seyyed Ahmad Karrabi, then head of the school)

(2007-2008) Deputy Head of Borzin Mehr, Tourism and Cultural Heritage Company in Sabzevar

(2008-2014) Member of Chahar Bagh Pars, the Architecture and Urbanism Consulting Firm in Tehran

(2014 to date) Member of the Technical and Research Office of the Faculty of Architecture and Urbanism at Hakim Sabzevari University

(2007 to date) Design and supervision of more than 100 buildings in Sabzevar

(2026 to date) Member of Payab Tadbir Sepehr Bonyan Atrak Consulting Firm in Bojnurd.

Teaching Experience

(2004-2007) & (2010-2014) Visiting instructor of the Faculty of Architecture and Urbanism at Hakim Sabzevari University

> **Teaching undergraduate modules:** Architectural Design 1, Architectural Design 2, Architectural Design 3, Architectural Design 4, Final Design (Dissertation), Preliminaries of Architectural Design, Construction and Presentation 2 & 3, Architectural Exercises, Environmental Perception and Expression, Architectural Presentation (Freehand Drawing and Rendering), Regulating Environmental Conditions (Climate), Construction Elements and Details 1 & 2, Using Drawing Programs, Theoretical Principles of Architecture, Urban Space Analysis, Internship, Architectural Design and Urbanism (Civil Engineering Department), The Design Process in Architecture, Building Systems (Structure 4), Specialized language of architecture, sketching.
>
> **Teaching graduate modules:** Theory and Methods of Design, Research into Technical and Theoretical Topics, Architectural Design 2, Architecture and Thought, Architectural Design 1 (MA students), Contemporary Structures (Structure Logic in Architecture), Ideation and design process, Culture and architecture, architectural design process, advanced building systems, specialized architectural seminars.

(2015) Visiting instructor in the second semester for the Faculty of Architecture and Urbanism at Islamic Azad University of Shahrood

> **Teaching graduate modules:** Theory and Methods of Design, Architectural Research Methods, Architectural Design 1

(2004-2009) Visiting instructor of the Architecture Department at Imam Khomeini Technical School in Sabzevar, distinguished instructor of the school in 2003-2004

> **Teaching modules of associate degree:** Architectural Exercises 1 &2&3&4, Architectural Design 1, Technical Design, Steel Structures, Architectural Perception and Presentation,
> Architectural Design and Urbanism (for the Department of Civil Engineering)

(2005-2007) Visiting instructor of the Architecture Department at Islamic Azad University of Sabzevar (Sama)

> **Teaching modules of associate degree:** Architectural Perception and Presentation 1&2, Architectural Exercises 1 &2&3&4, Architectural Design 1, Architectural Design and Urbanism (for the Department of Civil Engineering)

(2009) Visiting instructor of Baqiat al-llah Technical School in Sabzevar in the first semester

> **Teaching modules of associate degree:** Architectural Design 1

(2001) Visiting instructor of Sabz Art Institute in Tehran, teaching technical drawing for art examination

(2001) Visiting instructor of the Computer Center of Faculty of Architecture and Urbanism at Iran University of Science and Technology for one semester, teaching AutoCAD

Scientific, Cultural, and Executive Appointments

(2007-2010) Member of the Faculty (as an instructor) of Architecture and Urbanism, Hakim Sabzevari University

(2009) Director of Architecture Department, Faculty of Architecture and Urbanism, Hakim Sabzevari University

(2009) Advisor of the president of Hakim Sabzevari University in civil and architectural projects

(2009) Member of the working group for the assessment of academic ability of members of the Architecture Department at Hakim Sabzevari University

(2016 to date) Member of the Faculty (Assistant Professor) at the Faculty of Architecture and Urbanism, Hakim Sabzevari University (distinguished member of education at the collage in 2017, 2020 and 2026; distinguished member of culture at the University in 2020; distinguished member of research at the collage in 2024)

(2017) Advisor of Art Clubs at Hakim Sabzevari University

(2017) Member of the Committee for the Promotion of Education Quality at Hakim Sabzevari University

(2017 to date) Member of the Teachers' Basij at Hakim Sabzevari University

(2017) Member of the Architectural Working Group at Construction Engineering Organization

(2018) Member of the Graduate Council of the Faculty of Architecture at Hakim Sabzevari University

(2019) Advisor of the Scientific Society of Architecture at Hakim Sabzevari University (since Nov 2019 for 2 years) (Selected title of the National Movement Festival in 2021)

(2019-2020) Member of the Committee for Urban Landscape at Sabzevar Municipality and Construction Engineering Organization

(2020) Member of the working group for community relations (SATE) in the Faculty of Architecture and Urban Planning of Hakim Sabzevari University

(2022-2024) Member and secretary of the promotion committee of the Faculty of Architecture and Urban Planning at Hakim Sabzevari University (since February 2022 to February 2024).

(2022 to 2026) Agent of the Executive Board of Hakim Sabzevari University in the Faculty of Architecture and Urban Planning (since February 2022 to 2026).

(2022-2024) Director of the Technical and Research Office of the Faculty of Architecture and Urban Planning at Hakim Sabzevari University (since June 2022 to February 2024).

(2022) Member of the working group for the selection of the best art and architecture researcher of Khorasan Razavi province at the Islamic Azad University of Mashhad.

(2024 to date) Member of the promotion committee of the Faculty of Architecture and Urban Planning in Hakim Sabzevari University (from February 2024 to date).

(2023 to date) The secretary of the selected committee of the audit committee of the Faculty of Architecture and Urban Planning in Hakim Sabzevari University (from November 2023 for 2 years).

(2024 to date) Member of the advisory council, planning and supervision of construction projects of Hakim Sabzevari University (from July 2024 for 2 years)

(2023 to date) Director of the Department of Architecture, Faculty of Architecture and Urban Planning, Hakim Sabzevari University (from December 2023 to date).

Educational Workshops

1. Secretary of the Committee “World Architect Day” in the western region of Khorasan Razavi (20 hours, 9 & 10 Nov 2009) at Hakim Sabzevari University in the form of a national congress and sketch competition

2. Holding a workshop on “Architectural Design Process” (6 hours, May 2014) at Baqiat al-llah Technical School in Sabzevar

3. Holding a workshop on “the Architectural Design of a Library” (4 hours, Dec 2014) at Baqiat al-llah Technical School in Sabzevar

4. Holding a workshop on “An Introduction to the Learning of Architectural Design” (3 hours, May 2016) at Baqiat al-llah Technical School in Sabzevar

5. Holding a workshop on “National Regulations and Standards of Architecture” (16 hours, June 2016) at Construction Engineering Organization of Sabzevar for upgrading architectural engineers from grade three to grade two

6. Coordinator of scholarly meetings of the Faculty of Architecture and Urbanism at Hakim Sabzevari University (nine meetings in semester one and one meeting in semester two in the academic year 2016-2017)

7. Secretary of workshops and art advisor in “The Fourth Conference on University, Technology and National Development” at Hakim Sabzevari University (16 hours, 26 & 27 Feb 2018, designing the conference logo, the poster, the statue, the arrangement of booths, and the structural design of a tent for the temporary exhibition)

8. Organizing an educational workshop for art and architecture teachers titled "Principles and Objectives of Education: The General Education of Design in Primary Schools from Prof. Nigel Cross’s perspective" (12 hours, 22 Nov 2018 and 22 Dec 2018) invited by Sabzevar Department of Education.

9. Organizing the scientific workshop “Facets of Imitation-Based Education in the Correction Meeting of Architectural Design” (2 hours, 2 Dec 2019) in the community of professors at the Faculty of Architecture and Urbanism in Iran University of Science and Technology

10. Organizing an educational workshop “National Standards and Regulations of Architecture” (16 hours, 13-16 Jul 2019) at Construction Engineering Organization of Sabzevar, a class for upgrading architectural engineers from grade three to grade two.

11. Holding 9 live Instagram in virtual and corona era with scientific and educational content (9 hours, 9 days, autumn and winter of 2020 and spring of 2021).

12. Organizing an educational workshop “National Standards and Regulations of Architecture” (16 hours, 15-17 August 2022) at Construction Engineering Organization of Sabzevar, a class for upgrading architectural engineers from grade three to grade two.

Certificates

• Work license in architectural engineering from Construction Engineering Organization in Khorasan Razavi province in the field of architectural design, architectural supervision, implementation, and training (grade 3 in 2007, grade 2 in 2011, grade 1 in 2017, grade senior in 2023)

• Educational certificate in teaching "National Regulations and Standards of Architecture" for the upgrade class of engineers from Construction Engineering Organization

• **Certificates of participation in workshops by Construction Engineering Organization:** Coping with Natural Disasters (10 hours, 2009), Welding and Non-Destructive Tests (4 hours, 2009), Architecture and New Technologies (10 hours, 2009), Chapter 19 of National Regulations of Buildings (6 hours, 2014), Investigating the Executive Procedures for Fire Detection and Fire-Extinguishing Systems and Their Relevant Problems (8 hours, 2015), Legal Responsibility of Engineers (6 hours, 2016), Accountabilities and Professional Requirements of Architecture (6 hours, 2017), Passive Defense (8 hours, 2017)

• **Certificates of participation in educational workshops of the university:** Editing and Publication Skills of Research Papers in English (16 hours, 2008), Understanding New Methods of Information Security (6 hours, 2008), Intellectual Property (4 hours, 2009), Test-making (4 hours, 2009), Executive Procedures of the Comprehensive System of Evaluation and Quality Assurance (6 hours, 2010), How to Prepare and Print Papers in the Academic Journals (3 hours, 2010), The Design of Learning Experiences in Higher Education (8 hours, 2016), An Introduction to the SPSS Program (12 hours, 2018), An Investigation into the Law of Prevention and Coping with Fraud in Preparing Scientific Works and Its Executive Bylaw (2 hours, 2019), Application of solution-oriented thinking model in the teacher-student relationship (6 hours, 2022), Solution-oriented intervention in mental crises (3 hours, 2022), The structure of education in America and Canada (2 hours, 2022), Expanding relations between two universities and research and technology cooperation models (2 hours, 2022), Anti-security measures of foreigners (3 hours, 2024). Studies on the analysis of philosophy in the analysis of literature and literary texts (2 hours, 2024). Artificial intelligence, education, and learning (4 hours, 2026).

• **Certificates of participation in cultural workshops of the university:** the Meaning of Life (4 hours, 2009), New Religion of the World (2 hours, 2016), The Feast of Thought: Fundamentals of Political Thinking at Level 4 (16 hours, 2016), Friendship with the Koran (2 hours, 2016), Breeding Islamic Genius (2 hours, 2016), Youth and the Daily Issues (2 hours, 2016), Colonialism and arrogance (2 hours, 2017), collaboration with the Basij of instructors by offering consultancy to the examiners of the National Examination of the Universities in 2017 (6 hours, 2017), The Feast of Thought: Principles of Education at Level 1 (16 hours, 2017), Understanding the Takfiri Faction and Extremism in the Islamic World (2 hours, 2017), Fatimid Ethics (2 hours, 2017), IT security and harm of social networks (6 hours, 2017), A Scientific Approach to the Interaction of Police Forces with the University (2 hours, 2018), The Feast of Thought: Political Thought and Epistemology Level 1 (24 hours, 2018), The Analysis of Today's Political Issues (2 hours, 2018), Imam Khomeini's Characteristics and the Impact on the Politics of the Countries in the Region and in the World (2 hours, 2018), The Aims of the Islamic Revolution and Its Achievements (2 hours, 2019), Capacities of Ashura (2 hours, 2020), Arbaeen Hosseini and the discourse of modern Islamic civilization (2 hours, 2020), Islamic lifestyle and steps to success in life (1.5 hours, 2020), Re-reading the case of terrorism in Islam (2 hours, 2020), The contribution of the university in the promotion of the Islamic system (1.5 hours, 2021), Production of Islamic humanities (1.5 hours, 2021). Ways and solutions for research recruitment (grant) inside the country for university faculty members (1.5 hours, 2022). Popularization of preferred currency (2 hours, 2022), Heart and lifestyle (2 hours, 2002), The first line of explaining the new world order (2 hours, 2022), Getting to know the international rankings of universities: the importance and factors affecting the rise of the university's rank (2 hours, 2022), The Feast of Thought: Review and Criticism of Modern Atheism (16 hours, 2023), Banquet of thought: Iran, past, present and future, strategies of rise and fall (8 hours, 2023). Banquet of thought: professional ethics in teaching (8 hours, 2024). The youth of the population (2 hours, 2024). Functions and capabilities of the university's humanities field in problem-oriented research on society (2 hours, 2024). The role of the university and the elite in promoting the culture of childbearing and supporting fetal life (2 hours, 2025). Familiarity with alien communication techniques: modern espionage (4 hours, 2025). Cognitive threat intelligence: Emerging challenges and opportunities for national cohesion (2 hours, 2025). Intellectual discourse forum: Ethics in teaching (8 hours, 2025). Examination and analysis of the country's current situation (2 hours, 2026). Commemoration of the epic of the 3rd of Khordad through the Ramadan War (2 hours, 2026). Engineering achievements of the Guard Corps (2 hours, 2026).

• Certificate of English Language Proficiency 'Tolimo', test score: 500 (out of 620), score of the writing band: 5 (out of 6)

Research and Teaching Interests (in priority order)

1- Design Studies: architectural design Education (Ph.D. research field: design methodology)
2- Concepts in writing, research methods, and theorization
3- Freehand drawing and rendering
4- Structure (in particular, sensory structures: learning by feeling)
5- Urban design (in particular, micro issues that are related to architecture)

Supervisor and Advisor of Master's Degree Dissertations

• Hakim Sabzevari University: 1 student (advisor in 2015); 1 student (supervisor in 2018); 1 student (supervisor in 2019); 1 student (supervisor in 2020); 6 students (supervisor in 2021); 2 students (advisor in 2021); 3 students (supervisor in 2022); 1 student (advisor in 2022); 2 students (supervisor in 2024); 1 student (advisor in 2024); 2 students (supervisor in 2025); 4 students (supervisor in 2026); 1 student (advisor in 2026)
• Islamic Azad University of Mashhad: 1 student (advisor in 2017)
• Islamic Azad University of Shahrood: 2 students (supervisor in 2017); 2 students (Supervisor in 2018)
• Iqbal Lahoori University of Mashhad: 1 student (advisor in 2015)

Judgment of Journals, Competition, Conferences, Dissertations, and Theses

- The referee of the Research Journal *Iranian Architectural Studies*, Kashan: Kashan University (2 papers in 2015, 2 papers in 2016, 2 papers in 2017, 2 papers in 2018, 1 paper in 2020, 2 papers in 2021)
- The referee of the Research Journal *Soffeh*, Tehran: Shahid Beheshti University (2 papers in 2016, 2 papers in 2017, 2 papers in 2020, 1 paper in 2021, 1 paper in 2024, 1 paper in 2026)
- The referee of the research journal *Iranian Journal of Engineering Education* (ISC), Tehran: Academy of Sciences of the Islamic Republic of Iran (1 paper in 2016, 2 papers in 2018, 1 paper in 2019, 1 paper in 2020, 1 paper in 2021, 1 paper in 2022, Distinguished referee of the journal in 2024, 1 paper in 2025)
- The referee of the research journal *Iranian Architecture and Urbanism;* Tehran: Iran University of Science and Technology (1 paper in 2019, 7 papers in 2020, 2 papers in 2021, 1 paper in 2022, 2 paper in 2023, 1 paper in 2024, 1 paper in 2025)
- The referee of the research journal *Sustainable Urban Development*; Isfahan: Advanced Scholars Institute of Higher Education (2 paper, 2024, 1 paper in 2026)
- The referee of the research journal *Bagh-E Nazar*; Tehran: Nazar Art, Architecture and Urbanism Research Institute.
- The referee of the scientific and professional Journal *Architectural and Environmental Research*, Zanjan: The University of Zanjan (1 paper in 2018)
- Judgment of the Architectural Competition "Designing the Commercial, Recreational and Residential Complex of Tohid City of Sabzevar" (17 Dec 2018); Client: Anboohsazan Hashtom Company; Organizers: The Municipality of Tohid City, Sabzevar Construction Engineering Organization, and the Architects' Guild.

- The referee of the Architectural Competition “designing the gate of educational campus of Sabzevar University of Medical Sciences” (5 May 2019)
- The referee of the “Tenth University Festival of Harkat” at Hakim Sabzevari University (Dec 2019)
- The referee of “Kamand” Competition (Work, Skill, and Innovation of Female Students at Universities in Khorasan Razavi, Khorasan Shomali, and Semnan) at Hakim Sabzevari University (25 Oct 2020); the referee of design and visual arts
- The referee of the competition "Superior elevation in the constructions of Sabzevar city"; Organizer: Sabzevar Municipality (31 Jan 2021)
- The referee of the International Congress on New Horizons in Architecture and Urbanism, Tarbiat Modares University, Tehran (7 papers in the second year, 17 & 18 Feb 2016; 6 papers in the third year, 4 & 5 Jan 2017)
- The referee of the First International Conference on Civil Engineering, Architecture, Urban Management, and the Environment in the third millennium, 4 Sep 2016, Rasht
- The referee of the Second National Conference on the Management of Megacities with Reference to HSE, 14 & 15 Nov 2016, Tehran
- The referee of the First International Congress on Target Architecture, 12 & 13 Dec 2016, Kharazmi Science and Technology Institute, Shiraz (4 papers)
- The referee of the First International Conference on Architecture, Arts, and Applications, 15 & 16 Dec 2016, Mahde Pajohesh Rahpooyan Haghighat Institute, Tehran
- The referee of the International Congress on Civil Engineering, Architecture, and Urban Development, Shahid Beheshti University, Tehran (the fourth year, 27-29 Dec 2016; the fifth year, 26-28 Dec 2017)
- The referee of the First International Conference on New Cities, 3 May 2017, Tarbiat Modares University, Tehran (5 papers)
- The referee of the National Conference on fundamental Research in Civil Engineering, Architecture and Urbanism, 29 Jun 2018, Allameh Tabatabai University, Tehran.
- The referee of the National Conference on investigations into the Experiences of Urban Regeneration in Iran, Winter 2019, Hakim Sabzevari University.
- The referee of the Second Conference of Design, 21 Feb 2019, Al-Zahra University, Tehran (4 papers).
- The referee of the first International Symposium on Children's Utopia, 19 May 2021, Iran University of Science and Technology, Tehran.
- The referee of the Third International Conference on the Development of Emerging Technologies in Civil Engineering and Architecture, 4-6 Feb 2025, Babol Noshirvani University of Technology, Babol.
- External Examiner of Master’s Degree dissertations, Faculty of Architecture and Urbanism, Islamic Azad University of Shahrood (4 refereeing in 2018, 9 refereeing in 2019)
- The referee of Master's Degree dissertations, Faculty of Architecture and Urbanism at Hakim Sabzevari University (5 refereeing in 2016, 5 refereeing in 2017, 3 refereeing in 2018, 2 refereeing in 2019, 1 refereeing in 2020, 6 refereeing in 2021, 1 refereeing in 2023)
- The referee of PhD proposals, Faculty of Architecture and Urbanism, Islamic Azad University of Mashhad (4 refereeing in 2019)
- Judgment of the architectural competition "Facade Design of Sabzevar Entertainment-Tourism Building" (13 March 2024); Client: Sabzfam Sharq Service Extension Company.
- The referee of the research project proposal, Faculty of Architecture and Urban Planning, Jundishapour University of Technology, Dezful (1 review, 2025).

Other Activities

(Since 27 Dec 2007 to date) Making an educational weblog in architecture termed “Khat & Khak”, web address http://khatkhak.blogfa.com

(2009) Recording a number of educational films on “freehand drawing and rendering” from my teaching in the studios of architecture at Hakim Sabzevari University

(2005) Collecting pamphlets about rendering and freehand drawing

(2016) Designing and organizing the pottery workshop of the Faculty of Architecture and Urbanism at Hakim Sabzevari University

(**24 Dec 2018**) A lecture titled “Sabzevar and TOD” at the Third Scientific Meeting in the Municipality of Sabzevar
