

11th International Congress on Nanoscience and Nanotechnology ICNN2026

7th National Congress and Workshops on Nanoscience and Nanotechnology NCWNN7

2026

2-3 September

VENUE: DAMGHAN UNIVERSITY
— Damghan, Iran —

- Molecular- & Nano-Electronics, Nano-Devices & Nano-Sensors
- Nanotechnology & Artificial Intelligence, Machine Learning
- New 2D-materials & Low-dimensional Nanostructures
- Nanophysics, Computational Nanoscience & Nanoscale Modelling
- Green Nanotechnology & Water Treatment
- Nanotechnology Applications in Petroleum, Gas & Petrochemical Industries
- Nanostructured Magnetism & Spintronics
- Nanobiotechnology, Nanotoxicology &
- Environmental Nanotechnology
- Photonic & Plasmonic Nanomaterials
- Nano Fluids
